The X. International Moravian Conference

from October the 11th to October the 13th 2024 in Suchdol nad Odrou

with the main topic

Emigration

**300 years since the exile of the first inhabitants of Suchdol (Zauchtel) to Herrnhut
on May the 2nd 1724.**

Other topics:

13 Anniversaries of Other Moravians

We would like to reach out and invite historians, scholars and students wishing to present their works connected to these topics.

In a series of lectures and papers, new findings and information will be presented about Moravian Brethren who left this region at the beginning of the 18th century in order to restore the Brethren unity in Herrnhut. Thus made an indelible mark in the history of our country, therefore, we want to bring their lives closer to the public. A list of these Moravians is to be found at www.moravian.cz/History_EN.aspx#vyroci.

We welcome presentations, research and contributions on related issues, which will convey and pass on knowledge about the time of the Reformation and Counter-Reformation. However, the organizers reserve the privilege to reject presentations which are not related to the topics.

Moravian – The National History Association in Suchdol nad Odrou is preparing an interesting program for the upcoming event. At the Museum of Moravian Brethren there will be an exposition about the Moravians' missionary work opened. Invitations including a more detailed overview of the conference program will be sent till the end of July 2024.

Applicants wishing to present their papers on the Moravians are kindly asked to register their contributions in advance or to consult them by mailing to daniel.rican@seznam.cz. More Information about the conference will be published at www.moravian.cz/History_EN.aspx#vyroci
