We will also commemorate 13 anniversaries of other Moravians

We would like to reach out and invite historians, scholars and students wishing to present their works connected to this topic.

In a series of lectures and papers, new findings and information will be presented about Moravian Brethren who left this region at the beginning of the 18th century in order to restore the Brethren unity in Herrnhut. Thus made an indelible mark in the history of our country, therefore, we want to bring their lives closer to the public. A list of these Moravians is to be found at www.moravian.cz/History_EN.aspx.

We welcome presentations, research and contributions on related issues, which will convey and pass on knowledge about the time of the Reformation and Counter-Reformation. However, the organizers reserve the privilege to reject presentations which are not related to the topic.

Moravian-The National History Association in Suchdol nad Odrou is preparing an interesting program for the upcoming event.
